Bob will be our FDOT specialist. Bob's forte is his relationships with the FDOT Electric Contractors that he has been maintaining for over 20 years.

He has wide-ranging knowledge when it comes to FDOT, Lighting, Traffic Signals, Structures and Equipment that he has gained from extensive training and hands-on experience from many of the leading manufacturers.

Bob will be responsible for handling all Florida Department of Transportation projects as well as all matters relating to Florida Lighting & Traffic.

We would gladly like to welcome Bob to the MLS Group family.
